

Project Maths Class for Parents

Is this you?

- Take the mystery out of "Project Maths"?
- Help your child(ren) with their Maths homework?
- Refresh *your own* Maths skills in one or two areas

If the answer is **Yes** to one or more of the above, we might be able to help.

We are holding an information meeting on **Tuesday September 24th in the Parent's Room, Piper's Hill College, at 11:15 am** (for roughly an hour). The purpose of this meeting is to discuss what would be covered in a "**Project Maths - Help for Parents**" course, as an aid for you to decide if the course would be for you or not. Assuming we get a positive response, we plan to begin a **six-week course on Tuesday October 1st, from 9 45 am to 11 45am** each week.

The course itself will be informal and easy-going, and will focus on each person's needs - it will not be like a classroom lesson, and interaction with the tutor is encouraged.

Contact Niamh Doyle - HSCL Teacher on 045-897885 or hscl@phcol.ie to book your place.
